

Lab 4 - The Office, another look

STA 210 - Spring 2022

Team Name: Member 1, Member 2, Member 3, Member 4

Add the date here

Setup

Load packages and data:

```
library(tidyverse)
library(tidymodels)
library(schrute)
library(lubridate)
library(knitr)
```

Fix the `air_date` variable type.

```
theoffice <- theoffice %>%
  mutate(air_date = ymd(as.character(air_date)))
```

Exercises

Exercise 1

```
# add code here
```

Exercise 2

```
# add code here
```
